HEARING THE CALL

Isaiah's prophetic call is mysterious: God's smoky and glorious presence in the sanctuary, with the seraphim crying out as we do in the eucharistic prayer, "Holy, holy, holy Lord, God of power and might, heaven and earth are full of your glory." Peter, James and John were called from much more mundane circumstances: hauling in fish. We are called from

where we are: "Follow the Lord, and proclaim his risen presence." Like Paul, we are called to receive this summons and live our lives in response to it.

WORLD DAY OF THE SICK

The ministry of Jesus to the sick is central to the life of the Church. It reminds us that service to the sick and suffering cannot be neglected. World Marriage Day Sunday, February 14

World Marriage Day honours the couple as head of the family, the basic unity of society. It salutes the beauty of the couple's fidelity, sacrifice, and joy in married life. The day elevates public awareness of the positive aspects of Marriage.

The sacrament of Marriage is the foundation of strong families which in turn strengthens the Church and the community. In our world where commitment to the ideals of married life is on the decline, and our government has already changed the definition of marriage, it is imperative that we do all we can to strengthen marriage relationships. Thus, our parish will celebrate Marriage as a Sacrament next Sunday on World Marriage Day.

To benefit from World Marriage Day next Sunday, married people are urged to come to Mass as a couple, and with their family if possible.
