## COVENANT

Bread, wine and fish are God's food for the end times and are used many times in the Bible. Melchizedek, the priest-king of God's city, Jerusalem, offers bread and wine to Abraham, the spiritual father of us all. Jesus gives the superabundant Messianic food -- bread and fish -- to the 5,000 people. We receive a share of the new covenant in Jesus' body and blood, which are in the form of bread and wine. Come to the heavenly banquet to receive God's life!

## *Pray for the Pope's* June General / Mission Intentions

- That every nation and transnational institution may strive to guarantee respect for human life from conception to natural death.
- That the Churches in Asia, which constitute a "little flock" among non-Christian populations, may know how to communicate the Gospel and give joyful witness to their adherence to Christ.
